

The season of giving is here and so is our Christmas Campaign !

Launching on the 10/11/2025

As the festive season approaches, we are coming together to bring hope, warmth, and joy to people we support. Through our Christmas Campaign, we are collecting donations to fund food, festive treats, and essential items. This will help families experiencing financial hardship enjoy the comfort and celebration they deserve. Together, we can make this Christmas brighter for everyone in our community.

This Christmas, your kindness can fill more than plates; it can fill hearts
